ACA MEMBERSHIP

Regular Members

Regular members are those national associations of corporations in Southeast Asia which are primarily engaged in manufacture, trading and/or distribution of cosmetics, toiletries and fragrance products. Only one Association which has a broad base representation of both Small and Medium Enterprise (SME) and Multi-National Corporation (MNC) in each Southeast Asia country can be a regular member.

Advantages of being Regular Member

- Represent National Cosmetic Association at a Regional Level
- Contribute to be the vital voice for the ASEAN cosmetic industry in regional and international meetings with government / relevant authorities and counterparts.
- Access to key policy makers in ASEAN and technocrats with active involvement in key regional regulatory decision-making, lobbying, advocacy, consultation, and international regulatory alignment
- Voting right privilege
- Be part of the issues management team to address public concerns on safety of cosmetics

Associate Members

Associate members are organized and registered associations of corporation which are primarily engaged in the business of rendering services to members of their association for the supply or distribution of materials utilized in or connected to the production of cosmetics, toiletries, fragrance and other related products.

Advantages of being Associate Member

- Being part of recognized regional association and play a pivotal role in promoting, strengthening and protecting the interest of the cosmetic industry
- Receive the latest updates on key development in regulatory, government policy initiatives, scientific, commercial and industrial in ASEAN
- Entitle to a special membership rate to attend ACA's organized or supported conference/seminar/workshop/training/social gathering
- Invited to participate in ACA meeting and has opportunity to raise specific concerns/issues
- Business and networking opportunities with key players
